Your letter of 7 November to Lieutenant General Vernon A. Walters, our Deputy Director, has been referred to me for response.

We are pleased to learn of your interest in this Agency. I have asked appropriate Agency officials to review your resume against our current and foreseeable openings. You will be advised of the outcome as soon as this review has been completed. I would be less than candid, though, if I did not mention that our vacancies are limited due to recent reductions in our personnel strength.

Your interest in this Agency is appreciated, and you may be sure you will be given every consideration.

Sincerely,

Signed

J. F. Blake
